

Big Game Certificates of Achievement and Curt Lynn Arrowhead Awards

In the 1970's, Curt Lynn was a Senior Member of Pope & Young, and President of the ABA, as well as a personal friend of Fred Bear. At some point in the 80's, Curt Lynn designed and made the first Arrowhead Award.

Below you will find this year's annual ABA big game survey. It provides the information we need for Curt Lynn Arrowhead Awards that are presented at your banquet. If you wish to receive an Arrowhead, you must fill out a survey and submit it to the ABA by using the email listed at the bottom of the page. *Please Submit by March 15th, 2024.*

If you took a big game animal with a bow and arrow in Alaska in 2023, you are eligible for the Honorable Mention Arrowhead Award. All animals eligible for the Curt Lynn Award must be officially scored. This can be done by either of two methods:
